

Pork Barrel

Shared school menus

Our shared school menus can be take away or eat in. The menus provide great variety to suit every taste, including vegetarians and most allergies and intolerances. In addition to this we are happy to cater separately for individuals with special dietary requirements.

Bookings must be for 8 people or more and will require signed terms and conditions. We can organise indoor(warm/dry) seating dependent on other bookings. We can however only do this before or after our normal lunch service, **at 11am out by 11.45am or 1.30pm.** Dinner after 4.30pm
